

Marshalling Nomination Form

Summer 2008-09

The successful running of all KJ events is only made possible through the generous support of it's members. As such, all KJ members aged 18 and over are required to perform marshalling duties at up to 3 club events in any membership year. Membership of Kembla Joggers will now only be accepted once this form is completed and submitted upon registration.

Below is a full list of KJ Summer & Mountain Running Series races for 2008/09. Please place a cross in the boxes of a minimum three (3) races that you prefer to marshal at and return along with your membership form. However, if you have already marshalled during winter you only need to nominate the balance of 3 events, ie. if you marshalled at 2 events during winter, then you only need to nominate 1 more event etc. Every endeavour will be made to give you your preferred races for marshalling duty. Obviously, if we receive too many nominations for any particular race, allocations will be made on a first in, best dressed basis. If you don't return the form' it is likely you will be randomly selected and advised of your marshalling duties.

You will be informed by either phone, email or letter to remind you of your marshalling duty approximately one week prior to each nominated event. If you are not successful in any of your nominations you will be invited to nominate other events.
